VILLA ANTARES

Accommodates 14-16 guests in seven bedrooms

The villa lies in the lovely village of Vettica, in the middle of Amalfi Coast, situated in a splendid stretch of coast between Amalfi and Positano. The villa can be reached by descending about 150 steps from the coast road and looks entirely on to the azure blue sea.

Indoor Facilities

The villa is divided in two levels and offers seven double bedrooms with bathroom en suite: two outside independent bedrooms, one bedroom on the ground floor, four bedrooms on the lower ground floor. All the bedrooms are equipped with modern comforts such as air-conditioning, heating system, emergency lights, mini bar, satellite TV with LCD screen and DVD player, telephone line, broad-band internet connection and bathroom with shower or idro massage bathtub.

The broad and bright living-room has a large panoramic veranda overlooking the sea and is provided with plasma TV and cocktail bar. The professional steel kitchen is equipped with modern

equipments such as frying machine, burner stove, oven, microwave oven, fridge, dish washer and ice machine.

Outdoor Facilities

The internal spaces are completed by as many comfortable outer spaces, that are divided in panoramic terraces, offering plenty of privacy, and situated on more levels with an outside dining area, a relax area and a gazebo surrounded by flowered gardens and lemon trees. All terraces provide fine views over the ocean.

Villa Antares offers a well-being space too

with a sauna, a gymnasium, a maxi outer idro massage bathtub and a Turkish bath with aroma- therapy and cromo-therapy in an evocative natural grotto.
