Villa Lesa

Accommodates 14 guests in seven bedrooms

Located in the village of Lesa, near Milan, this secluded, independent villa has been recently restored for exceptional comfort and luxury. The villa's tranquil grounds along the shore of Lake Maggiore are the ideal setting for a relaxing and recreational family getaway.

Indoor Facilities

All bedrooms of Villa Palladio boast elegant wooden floors, rich fabric furnishings, and a walk-in closet. Guests also have access to a telephone and wireless internet connection.

Ground Floor

Guests are greeted through an entrance from the villa's private garden, and a grand hallway leads to three twin

bedrooms with en-suite bathrooms, two with a shower and one with a bathtub. There are also two double bedrooms with en-suite bathrooms, and a small twin bedroom with a separate bathroom, suitable for a nanny. On the other side of this floor, there is a fully-equipped kitchen, with a staircase leading to a dining room, guest bathroom, TV room with a flat screen and sofas, and a laundry room. This floor also accesses a separate living area with a 13ft x 13ft Jacuzzi tub and bathroom.

Second Floor

A beautiful, marble-floored living room leads out onto a spacious terrace with views of Lake Maggiore. On this floor there is also a TV room with a large flat screen, DVD player, and fireplace. On the other side of the floor, an ornamental dining room leads out onto its own private terrace.

Annex

This separate living area in the garden contains two levels. An entrance from the garden leads to a double bedroom with a terrace overlooking Lake Maggiore. This room is interconnected with a twin bedroom with a fireplace. These rooms share a bathroom with a shower.

Outdoor Facilities

The delicate, stunning gardens of Villa Palladio are the estate's most distinctive feature, offering an idyllic setting for al fresco dining and leisurely strolls. Guests may enjoy private access to a pebbled beach near the lake, as well as use of the villa's private boat for an additional cost.
